

Pasta Party Cooking Hints and Tips

All food should be delivered in a disposable container with a disposable serving utensil if possible.

9 x 13 pan will feed about 10 people.

Meatballs – figure 3 to 5 per person.

Easy Chocolate Chip Bars – take Pillsbury chocolate chip cookie dough in the freezer case at Sam's Club. Spread in the bottom of a cookie sheet/jelly roll pan (with sides). Bake 15 minutes. Cool, cut into squares.

Sausage – When *sausage goes on sale*, buy one package each of the sweet and hot link, about 5-6 inches long. Grill outside, on low heat, for about 45 minutes. Cool after cooking. Cut each link into thirds, bag and freeze. Make sure the pieces are completely cooled so no frost or freezer burn develops. Add to sauce or a side to baked ziti. The packages usually have 13 links per package yielding 39 cut up pieces.
